	Additional Services	Y/N	Please provide details
?	**EMERGENCY DIVERT MOBILE NUMBER IN THE EVENT OF A NETWORK OUTAGE- THIS FIELD MUST BE COMPLETED**		
?	Please list all current main numbers that are to be ported over to the new telephone system i.e all advertised numbers and Direct Dials.		
?	Do you require an auto attendant? Example: Press 1 for sales, Press 2 for accounts etc.		
?	Auto Attendant: Please list which users will be in each option.		
?	Auto Attendant: Do you have a recording you would like to use, would you like to record your own, or would you like us to record one for you?		
?	What sequece have the calls to be answered in? i.e all at the same time or in a pattern?		

?	Would you like a company voicemail? We recommend using a single generic message which covers open/closed hours and informs user of your email adress and asks for a reason for the call so it can be picked up when availiable, this means that you only need to monitor one mailbox.		
?	If your phone lines are closed during lunch time or other scheduled times during the day please provide these times along with the users affected		
?	Please provide opening and closed times to set up schedules		
?	If so y If yo info		

you can provide your own recording, record one yourself, or we can create a professional recording for you. (Email your script to info@telecomnetworks.co.uk).

NOTE!
If you are submitting music on hold please ensure that the music used is royalty free, or ensure you have an appropriate license to use it as hold music.

Example: "We appreciate your patience, a member of the team will be with you shortly"

Only the recording we produce is chargeable, using your own file or recording your

?	Is there anything else we should know or extra notes you would like to add? if so please use this box here.		

own message is free.

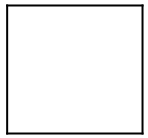

Instructions on how to record your own audio files and send them in:

1. Download the free Broadsoft app
2. Allow microphone permissions when prompted
3. Record your voicemail message
4. Email the recording to info@telecomnetworks.co.uk
5. Add “YOUR COMPANY NAME Audio Recording” in the subject line
6. We’ll take care of everything on the backend

Thank you for taking the time to fill this out, this will allow us to set-up your phone system to your exact requirements.
